

TASTING MENU FROM THE CHEF

Our Chef will take you through a culinary journey of flavors and surprise you with many varieties from French cuisine to Asian oriented dishes.

Your lunch starts with an amuse.

After the amuse you get 4 tapas size dishes. Fish, meat and all kinds of vegetable's are combined in this Tasting.

Of course our Chef uses as many seasonal products in his dishes.

If you have wishes about the used products, please ask the Staff.
